## Preface

Mageants Multi Flat Shipping is an extension that overcomes the single flat rate option in Magento by serving multiple flat rate methods based on different prices and conditions without disturbing the system files and also with all new cool features. You can mention your own shipping carrier and unlimited methods under it.

- Magento's core Multi-shipping functionality is powerful in itself , but there have always room for improvements.
- The most important purpose of creating Mageants Multishiping is essential feature for the buyers and sellers.
- It allows admin to manage the shipping methods with different details like shipping method name, price etc.
- It will gives 5 Flat rate shipping method which gives more facility in shipping to customers as well as to the seller.

## Installation

There are two ways of installing extension in magento2.

- 1) Using COMMAND LINE.
- 2) Manually Install extension.

### **Option 1:** Magento 2 install extension using COMMAND LINE (Recommended)

Follow below steps to install extension from the command line.

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

**Step 3:** Disable the cache under System -> Cache Management.

**Step 4:** Enter the following at the command line:  
`php bin/magento setup:upgrade`

**Step 5:** Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Advanced -> Advanced, the module will be displayed in the admin panel.

### **Option 2:** Magento 2 install extension manually

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

**Step 3:** Disable the cache under System -> Cache Management Edit `app/etc/config.php` file and add one line code:  
`'Mageants_MultiFlatShipping' => 1`

**Step 4:** Disable the cache under System -> Cache Management

**Step 5:** Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Advanced -> Advanced, the module will be displayed in the admin panel.

## All Flat Rate Shipping Methods.

The screenshot shows the MageAnts Configuration interface. On the left is a sidebar menu with categories: DASHBOARD, SALES, PRODUCTS, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, SYSTEM, and FIND PARTNERS. The 'SALES' category is expanded, showing sub-items: Sales, Sales Emails, PDF Print-outs, Tax, and Checkout. The main content area is titled 'Configuration' and has a 'Save Config' button in the top right. A red arrow points to the 'Flat rate shipping' section. This section is enclosed in a red box and contains a list of shipping methods, each with a dropdown arrow on the right:

- Flat Rate 1
- Flat Rate 2
- Flat Rate 3
- Flat Rate 4
- Flat Rate 5
- Flat Rate
- Free Shipping
- Table Rates
- UPS
- USPS
