## Preface

Using Shipping Tracker extension, Customer can track the Order Shipment.

Customer just need to insert Order Id and Email Address and he/she will get the current Order Status with Shipping Tracking information.

## Installation

There are two ways of installing extension in magento2.

1)Using COMMAND LINE.

2)Manually Install extension.

### **Option 1: Magento 2 install extension using COMMAND LINE (Recommended)**

Follow below steps to install extension from the command line.

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory if code directory does not exists then create.

**Step 3:** Disable the cache under System → Cache Management.

**Step 4:** Enter the following at the command line:

**php bin/magento setup:upgrade**

**Step 5:** Once you complete above steps logout and login back to the admin panel and switch to Stores → Configuration → Advanced → Advanced, the module will be displayed in the admin panel.

## **Option 2.** Magento 2 install extension manually

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory if code directory does not exists then create.

**Step 3:** Disable the cache under System → Cache Management

Edit app/etc/config.php file and add one line code:

```
'Mageants_Shippingtracker' = 1
```

**Step 4:** Disable the cache under System → Cache Management

**Step 5 :** Once you complete above steps logout and login back to the admin panel and switch to Stores → Configuration → Advanced → Advanced, the module will be displayed in the admin panel.

## Configuration

After Installation of Extension, Go to to **Store→Configuration→Mageants Extension→Shipping Tracker**, Where admin can Enable/Disable Extension.

Also admin has options to display **Track Order** link in Top Links and **Send Track Order Link in Order Email**.

The screenshot shows the 'Configuration' page for the 'Shipping Tracker' extension. A red box highlights the 'Module Enable' dropdown menu, which is currently set to 'Yes'. A red arrow points from this box to the 'Module Enable' label. Below it, there are two other dropdown menus: 'Send Track Order link in Order Email' and 'Display in Toplinks', both also set to 'Yes'. A 'Save Config' button is visible in the top right corner. The left sidebar contains navigation options like Dashboard, Sales, Products, Customers, Marketing, Content, and Reports.
