Preface

Simple Configurable product extension will provide a simple interface and display simple product as a configurable product selected swatch.

- Select an associated item of configurable product, which you would like to show by default.
- Based on swatch changes, product sku,name,price,url and description will be changed without a page load.
- User Friendly and flexible configuration.
- Compatible with Most of the Browser.

Installation

There are two ways of installing extension in magento2.

- 1) Using COMMAND LINE.
- 2) Manually Install extension.

Option 1: Magento 2 install extension using COMMAND LINE
(Recommended)

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory. If code directory does not exists then create.

Step 3: Disable the cache under System -> Cache Management.

Step 4: Enter the following at the command line:
php bin/magento setup:upgrade and php bin/magento
setup:static-content:deploy

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Advanced -> Advanced, the module will be displayed in the admin panel.

Option 2: Magento 2 install extension manually

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory. If code directory does not exists then create.

Step 3: Disable the cache under System -> Cache Management
Edit app/etc/config.php file and add one line code:
'Mageants_SimpleConfigurable' => 1

Step 4: Enter the following at the command line: php bin/magento
setup:upgrade and php bin/magento setup:static-content:deploy

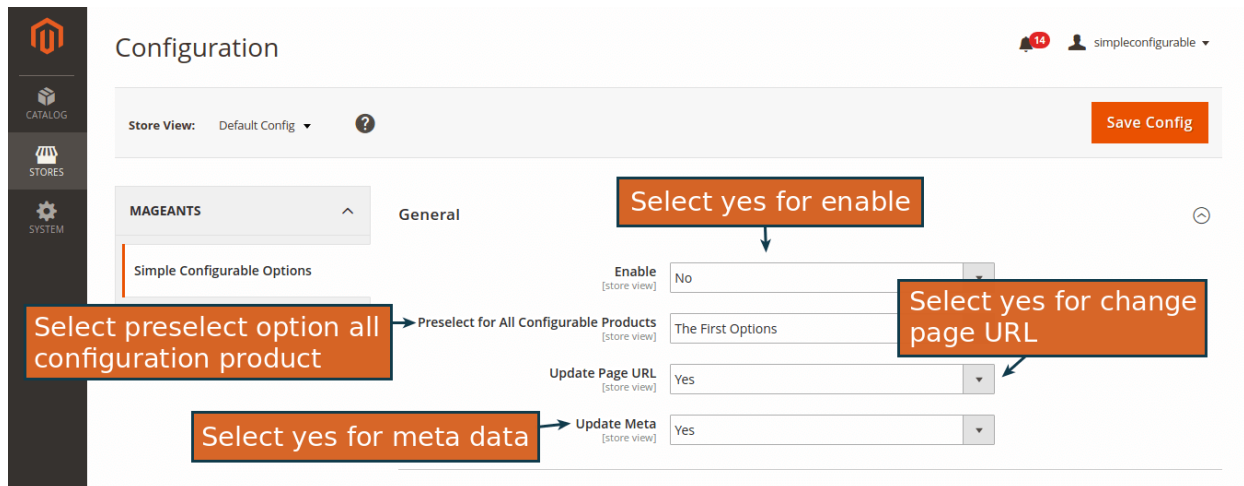

Step 4: Disable the cache under System -> Cache Management

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Advanced -> Advanced, the module will be displayed in the admin panel.

Configuration

After Installation of Extension log in to magento admin panel for set configuration of the extension.
