Preface

Mageants Multi Flat Shipping is an extension that overcomes the single flat rate option in Magento by serving multiple flat rate methods based on different prices and conditions without disturbing the system files and also with all new cool features. You can mention your own shipping carrier and unlimited methods under it.

- Magento's core Multi-shipping functionality is powerful in itself ,but there have always room for improvements.
- The most important purpose of creating Mageants Multishiping is essential feature for the buyers and sellers.
- It allows admin to manage the shipping methods with different details like shipping method name, price etc.
- It will gives 5 Flat rate shipping method which gives more facility in shipping to customers as well as to the seller.

Installation

There are two ways of installing extension in magento2.

- Using COMMAND LINE.
- Manually Install extension.

Option 1: Magento 2 install extension using COMMAND LINE (Recommended)

Follow below steps to install extension from the command line.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

Step 3: Disable the cache under System -> Cache Management.

Step 4: Enter the following at the command line: php
bin/magento setup:upgrade

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Store → Shipping method → Multi flat shipping , the module will be displayed in the admin panel.

Option 2: Magento 2 install extension manually

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

Step 3: Disable the cache under System -> Cache Management Edit
app/etc/config.php file and add one line code:
'Mageants_multiflatshipping' => 1

Step 4: Disable the cache under System -> Cache Management

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Store → Shipping method → Multi flat shipping , the module will be displayed in the admin panel.

CONFIGURATION

You can set Multiple Flat Shipping details & enable/disable

The screenshot shows the Magento Configuration page. The left sidebar has a 'STORES' menu. The main content area is titled 'Configuration' and shows 'Store View: Default Config'. A 'Save Config' button is in the top right. The 'Shipping Methods' section is expanded, showing 'Flat Rate 1' and 'Flat Rate 2'. An orange callout box with an arrow pointing to the 'SALES' menu item contains the text: 'Toggle Sales and click on shipping methods'.

This screenshot shows the 'Shipping Methods' section expanded further. The 'SALES' menu is visible on the left. The main content area lists several shipping methods: 'Flat Rate 1' through 'Flat Rate 5', 'Flat Rate Shipping', 'Free Shipping', 'Table Rates', 'UPS', 'USPS', and 'FedEx'. Each method has a toggle icon on the right. An orange callout box with an arrow pointing to the 'Flat Rate Shipping' method contains the text: 'Flat Rate Shipping'.
