Preface:

- Deal of Day is always a hot because in the promotion strategy you need to know is that about 50 million customers are attracted by a daily deal site to get good deals on products.
- This strategy increase your sales and keeping your customers exited for deals on products.
- In main thing customers decision to buy some product when he/she looking for same product in different web-shops.
- This module allows admin to show highlighted price and time countdown which is attract customers most.
- The most important purpose of creating Mageants DealOfDay Extension is to make your work-flow smooth as your expectation.
- Limited-time offer attract customers to make purchases immediately. Countdown timer also makes a deal more attractive.
- It contains counting of Days, Hours, Minutes, Seconds blocks.
- You can manually arrange colors of Deal Box.
- Deal Box is display in full website where ever the product is display.

Installation:

There are two ways of installing extension in magento2.

- 1) Using COMMAND LINE.
- 2) Manually install extension.

Option 1: Magento 2 install extension using COMMAND LINE (Recommended).

Follow below steps to install extension from the command line.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory.
If code directory does not exists then create.

Step 3: Disable the cache under System → Cache Management.

Step 4: Enter the following at the command line:
php bin/magento setup:upgrade
php bin/magento setup:static-content:deploy

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores → Configuration → Mageants → Daily deal.
The module will be displayed in the admin panel.

Option 2: Magento 2 install extension manually.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory.
If code directory does not exists then create.

Step 3: Disable the cache under System → Cache Management Edit
app/etc/config.php file and add one line code: 'Mageants_Dailydeal' → 1

Step 4: Disable the cache under System → Cache Management

Step 5: Once you complete above steps log out and log in back to the
admin panel and switch to Stores → Configuration → Mageants →
Daily deal, the module will be displayed in the admin panel.

School books, camp gear and yoga clothes get along just fine in the all-purpose Driven Backpack. Crafted with tough polyester ripstop fabric, it's outfitted with rubberized end panels and padded, adjustable shoulder straps. The roomy main compartment features molded foam pockets that host everything you need.

- Large main and small zip compartments.
- Adjustable, padded straps.
- Interior foam pockets.
- Exterior zip compartment.
- Left sport bottle pocket.
- Survival gear sold separately.
