Preface:

- Front Order comment is perfect extension for store owner who wants to give functionality to customer who can place comment for his/her order time, so they can see their comment on later from order view page.
- Order comment extension is totally based on Knockout.js
- it give Order comment section to customer for put comment at the time of place order.
- customer put comment on order so on later he/she can see the comment and get idea behind the place order.
- In order view page customer can see the comment which is given on order time.
- Admin can also see the comment on order view page at admin panel.
- Extension is easy to configure.

Installation:

There are two ways of installing extension in magento2.

- 1) Using COMMAND LINE.
- 2) Manually install extension.

Option 1: Magento 2 install extension using COMMAND LINE (Recommended).

Follow below steps to install extension from the command line.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory.
If code directory does not exists then create.

Step 3: Disable the cache under System → Cache Management.

Step 4: Enter the following at the command line:
php bin/magento setup:upgrade
php bin/magento setup:static-content:deploy

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores → Configuration → Mageants → Order comment, The module will be displayed in the admin panel.

Option 2: Magento 2 install extension manually.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory. If code directory does not exist then create.

Step 3: Disable the cache under System → Cache Management Edit app/etc/config.php file and add one line code:
'Mageants_order comment' → 1

Step 4: Disable the cache under System → Cache Management

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores → Configuration → Mageants → Order comment, the module will be displayed in the admin panel.
