## **Preface**

Delivery Date is a perfect extension for the every customer who wants to add delivery information like Delivery Date, Timeslot, Comment at the time of order placed.

This extension allows Admin to set configuration like

- on which method delivery information should display to customer.
- set processing time
- set cut off time
- add holidays to disable days for delivery
- add time slots to display timeslot for customer
- set shipping comment for customer
- set weekdays for disable delivery
- set date format for customer
- set include into option for include delivery information in email, pdf

## Installation

There are two ways of installing extension in magento2.

- 1) Using COMMAND LINE.
- 2) Manually Install extension.

### Option 1: Magento 2 install extension using COMMAND

**LINE** (Recommended) Follow below steps to install extension from the command line.

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

**Step 3:** Disable the cache under System -> Cache Management.

**Step 4:** Enter the following at the command line :  
bin/magento setup:upgrade

**Step 5:** Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> MAGEANTS -> Delivery Date the module will be displayed in the admin panel.

### Option 2: Magento 2 install extension manually

**Step 1:** Download the extension and unzip it.

**Step 2:** Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

**Step 3:** Disable the cache under System -> Cache Management Edit app/etc/config.php file and add one line code: 'Mageants\_DateDelivery' => 1

**Step 4:** Disable the cache under System -> Cache Management

**Step 5: Once you complete above steps log out and log in back to the admin panel and switch to**

**Stores -> Configuration -> MAGEANTS -> Delivery Date the module will be displayed in the admin panel.**

## Delivery Date Configuration

After Installation of Extension login to magento admin panel for set configuration of the extension.

You can find configuration at **Stores -> Configuration -> Mageants -> Date Delivery** .

As per below screenshot you can set all the Delivery Date settings here.
