Option 2: Magento 2 install extension manually	5
Extension configuration.....	6

Preface:

- Testimonial from your customers can boost your store credibility as most of the customers prefer to read review before they buy from any stores.
- If looking for an effective way to increase customer loyalty, please consider the the testimonial extension for your store.
- With our extension, you can display testimonials listing all around a store.
- Admin can enable/disable submitted testimonials.
- Customer submit testimonial then admin email notify and admin can enable/disable testimonial then customer email notify.
- Option to show the testimonial page URL in the top link.
- Admin can add testimonial widget in any page or block.
- User Friendly and flexible configuration.
- Compatible with Most of the Browser.

Installation:

There are two ways of installing extension in magento2.

- 1) Using COMMAND LINE.
- 2) Manually install extension.

Option 1: Magento 2 install extension using COMMAND LINE (Recommended).

Follow below steps to install extension from the command line.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory.
If code directory does not exists then create.

Step 3: Disable the cache under System → Cache Management.

Step 4: Enter the following at the command line:
php bin/magento setup:upgrade
php bin/magento setup:static-content:deploy

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores → Configuration → Mageants →
- Testimonial Configuration.
The module will be displayed in the admin panel.

Option 2: Magento 2 install extension manually.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory.
If code directory does not exists then create.

Step 3: Disable the cache under System → Cache Management Edit
app/etc/config.php file and add one line code:
'Mageants_Testimonial' → 1

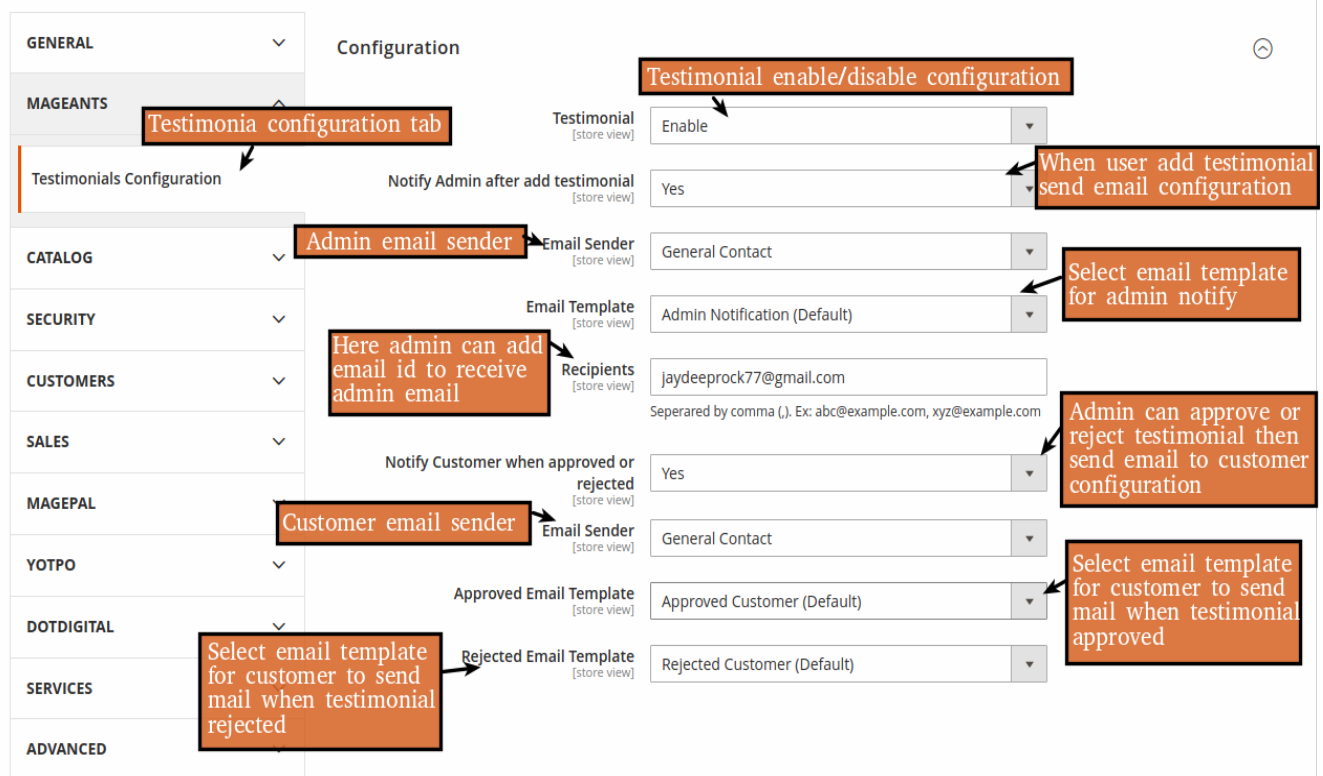

Step 4: Disable the cache under System → Cache Management

Step 5: Once you complete above steps log out and log in back to the
admin panel and switch to Stores → Configuration → Mageants →
-Testimonial Configuration.
the module will be displayed in the admin panel.

Admin Configuration

After Installation of Extension log in to magento admin panel for set configuration of the extension.

Stores → Configuration → Mageants → Testimonial configuration :

The screenshot displays the 'Testimonials Configuration' page in the Magento Admin Panel. The left sidebar shows the navigation menu with 'MAGEANTS' selected. The main content area contains the following configuration options:

- Testimonial enable/disable configuration:** A dropdown menu set to 'Enable'.
- When user add testimonial send email configuration:** A dropdown menu set to 'Yes'.
- Admin email sender:** A dropdown menu set to 'General Contact'.
- Here admin can add email id to receive admin email:** A text input field containing 'jaydeeprock77@gmail.com'.
- Notify Customer when approved or rejected:** A dropdown menu set to 'Yes'.
- Customer email sender:** A dropdown menu set to 'General Contact'.
- Approved Email Template:** A dropdown menu set to 'Approved Customer (Default)'.
- Rejected Email Template:** A dropdown menu set to 'Rejected Customer (Default)'.

Annotations on the image provide additional context:

- 'Testimonial configuration tab' points to the 'Testimonials Configuration' section.
- 'Select email template for admin notify' points to the 'Admin Notification (Default)' dropdown.
- 'Admin can approve or reject testimonial then send email to customer configuration' points to the 'Notify Customer when approved or rejected' dropdown.
- 'Select email template for customer to send mail when testimonial approved' points to the 'Approved Customer (Default)' dropdown.
- 'Select email template for customer to send mail when testimonial rejected' points to the 'Rejected Customer (Default)' dropdown.

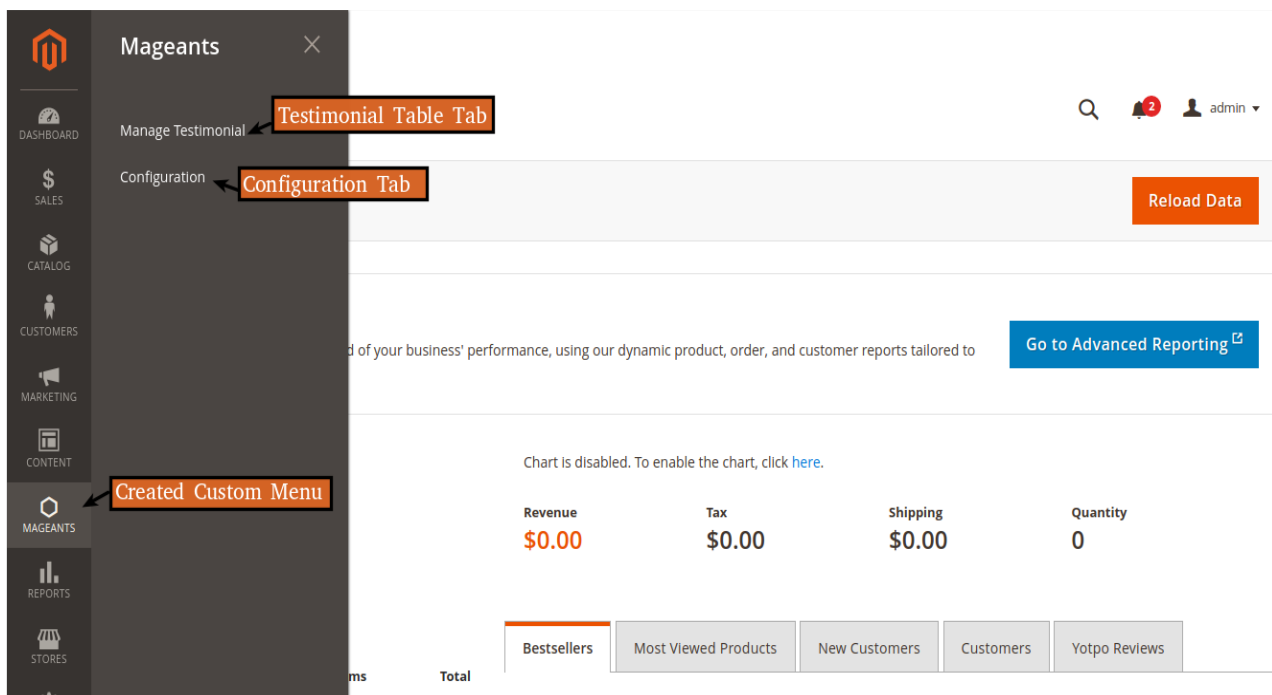

Notify admin after add testimonial configuration:

If Notify admin after add testimonial configuration is enable and user add new testimonial then selected email template send to admin.

Notify customer when approve or reject testimonial:

If Notify customer when approve or reject testimonial configuration is enable and admin approve or reject testimonial then selected email template send to customer.

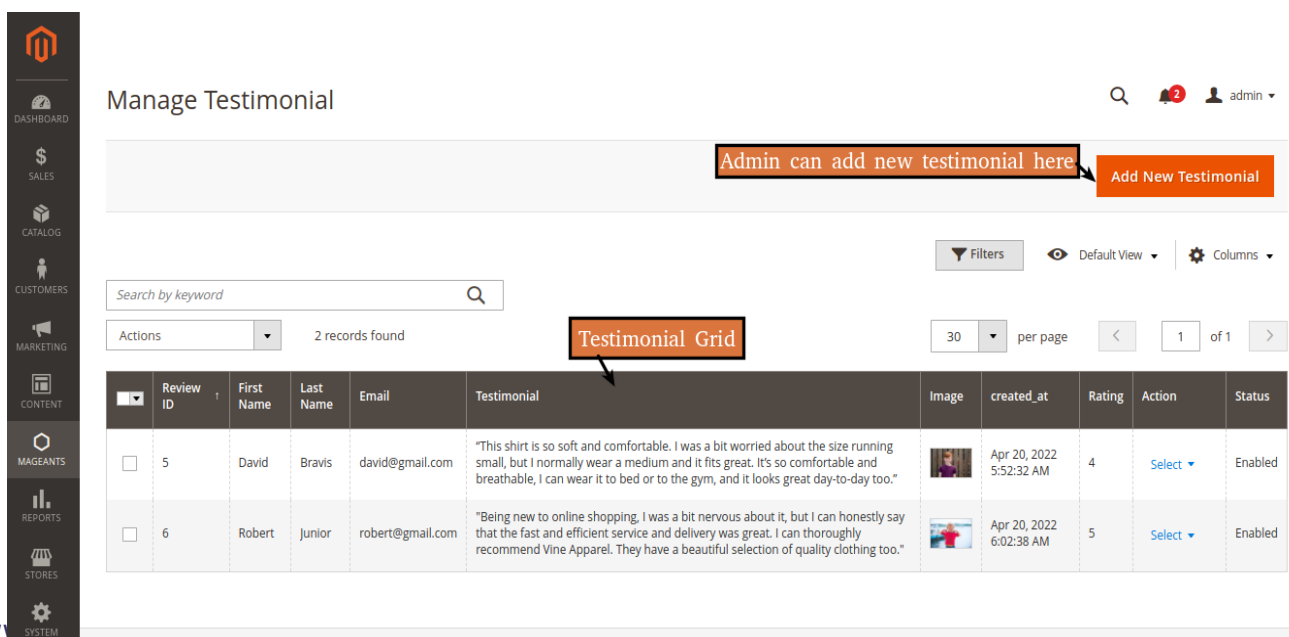

Below, Show Custom Menu Mageants to Show Tab Manage Testimonial And Configuration

The screenshot shows the MageAnts admin interface. On the left, a sidebar menu is visible with the following items: DASHBOARD, SALES, CATALOG, CUSTOMERS, MARKETING, CONTENT, MAGEANTS (highlighted with a red box and labeled "Created Custom Menu"), REPORTS, and STORES. The main content area shows the "Manage Testimonial" tab (labeled "Testimonial Table Tab") and the "Configuration" tab (labeled "Configuration Tab"). The dashboard displays various metrics: Revenue (\$0.00), Tax (\$0.00), Shipping (\$0.00), and Quantity (0). There are also buttons for "Reload Data" and "Go to Advanced Reporting".

here, Manage Testimonial tab to show admin grid.

-Add new testimonial button to admin can add their testimonial.

The screenshot shows the "Manage Testimonial" admin grid. At the top, there is a search bar and a button labeled "Add New Testimonial" (labeled "Admin can add new testimonial here"). Below the search bar, there is a table with the following columns: Review ID, First Name, Last Name, Email, Testimonial, Image, created_at, Rating, Action, and Status. The table contains two records. The first record is for David Bravis, with a testimonial about a shirt. The second record is for Robert Junior, with a testimonial about online shopping. The table is labeled "Testimonial Grid".

Review ID	First Name	Last Name	Email	Testimonial	Image	created_at	Rating	Action	Status
5	David	Bravis	david@gmail.com	"This shirt is so soft and comfortable. I was a bit worried about the size running small, but I normally wear a medium and it fits great. It's so comfortable and breathable, I can wear it to bed or to the gym, and it looks great day-to-day too."		Apr 20, 2022 5:52:32 AM	4	Select	Enabled
6	Robert	Junior	robert@gmail.com	"Being new to online shopping, I was a bit nervous about it, but I can honestly say that the fast and efficient service and delivery was great. I can thoroughly recommend Vine Apparel. They have a beautiful selection of quality clothing too."		Apr 20, 2022 6:02:38 AM	5	Select	Enabled
