Preface

- This **Product Tabs** Module is the best tools to show the product information via Product Tabs in Magento2. It includes the advanced features to help you customize the product tabs easily.

- **Product Tabs** Module Help You to:

- I. Add new tabs to Magento2 product pages.
- II. Add the unlimited number of product tabs.
- III. Customize Default Product tabs according to your needs.
- IV. Show product tabs with dynamic content.
- V. Show the content taken from static blocks, CMS Pages, etc.
- VI. Show a Related/ Up-sell products in products tab.
- VII. Set flexible rules for custom tabs.
- VIII. Change Tab View according to need.(Accordion View / Tab View).

Installation:

There are two ways of installing extension in magento2.

- Using COMMAND LINE.
- Manually Install extension.

Option 1: Magento 2 install extension using COMMAND LINE (Recommended)

Follow below steps to install extension from the command line.

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory If code directory does not exists then create.

Step 3: Disable the cache under System -> Cache Management.

Step 4: Enter the following at the command line: php
bin/magento setup:upgrade

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to **Stores -> Configuration -> Mageants → Product Tabs**, the module will be displayed in the admin panel.

Step 6: On the last step go to admin panel and switch to **Catalog -> Tab Management** , it will be displaying the admin grid.

Option 2: Magento 2 install extension manually

Step 1: Download the extension and unzip it.

Step 2: Upload it to code directory in your magento installation's app directory. If code directory does not exist then create.

Step 3: Disable the cache under System->Cache Management. Edit app/etc/config.php file and add one line code:
'Mageants_ProductTabs' => 1.

Step 4: Disable the cache under System -> Cache Management

Step 5: Once you complete above steps log out and log in back to the admin panel and switch to **Stores -> Configuration -> Mageants -> Product Tabs**, the module will be displayed in the admin panel.

Step 6: On the last step go to admin panel and switch to **Catalog -> Tab Management**, it will be displaying the admin grid.

Example:

- Show Related Product or Up- Sell Product In Tabs If you choose Yes in Tab Management Form.

I) Backend Example for Related Product or Up- Sell Product :

- Below Form show we select 'Yes' related products/ Up-sell products for **Image Gallery** Tab.

The screenshot displays the Magento Admin Backend configuration for a tab titled "Image Gallery". At the top, there are navigation buttons: "Back", "Delete", "Reset", "Save and Continue Edit", and a red "Save" button. Below the navigation bar, the "TAB INFORMATION" section is visible, with "Image Gallery" as the "Tab Title".

The main configuration area is titled "Tab Content". It includes a "Show Content In Tab" checkbox, which is checked. To the right of this checkbox are buttons for "Show / Hide Editor", "Insert Widget...", and "Insert Image...". Below these buttons is a text area containing the following HTML code:

```
<p style="text-align: center;"><strong>Show <span style="text-decoration: underline;">Related Product</span> And <span style="text-decoration: underline;">Up-Sell Product</span> In Dynamic Tab</strong></p>
```

Below the "Tab Content" section is the "Related Products & Up-Sell Products" section. It contains two dropdown menus: "Show Related Products" and "Show Up-Sell Products". Both dropdown menus are currently set to "Yes".

Annotations in the image include:

- An orange box labeled "Tab Title" with an arrow pointing to the "Image Gallery" text.
- An orange box labeled "Show Content In Tab" with an arrow pointing to the checked checkbox.
- An orange box labeled "Here Selectd 'Yes' To Show Related/ Up-Sell Product In Individual Tab" with an arrow pointing to the "Show Related Products" dropdown.

II) ForntEnd Example for Related Product or Up- Sell Product:

- Show Related/Up-sell Products In Front As Below For 'Image Gallery'
