Front-end Example	9

#### **Preface:**

- Zipcode COD is a perfect extension for the store owners who wants to check COD available for specific zip code or not in product view page.

- Cash On Delivery payment method Auto Hide based on customer entered shipping address PIN Code/ZIP code.

- Allow store owner to Add/Edit/Update PIN Code/ZIP code, COD available or not & delivery days for Cash On Delivery method..

- Allow store owner to Import/Export ZIP code from back end configuration.

- A Mobile responsive PIN Code/ZIP code availability checker tool on

product detail page.

- Cash on delivery checker block will display COD available or not &

- Delivery Days message for eligible postcode which can be configured for each PIN Code/ZIP code.

- User Friendly and flexible configuration.
- Compatible with Most of the Browser.
- Ability to add any number of PIN Code/ZIP code from admin.
- Easily Enable/Disable form admin.

#### Installation

There are two ways of installing extension in magento2. Using COMMAND LINE. Manually Install extension.

#### **Option 1: Magento 2 install extension using COMMAND LINE**

(Recommended)

Follow below steps to install extension from the command line.

- Step 1: Download the extension and unzip it.
- Step 2: Upload it to code directory in your magento installation's app directory If code directory does not exists then create.
- Step 3: Disable the cache under System -> Cache Management.
- Step 4: Enter the following at the command line: php bin/magento setup:upgrade
- Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Mageants  $\rightarrow$  Zipcode COD, the module will be displayed in the admin panel.

#### **Option 2: Magento 2 install extension manually**

- Step 1: Download the extension and unzip it.
- Step 2: Upload it to code directory in your magento installation's app directory If code directory does not exists then create.
- Step 4: Disable the cache under System -> Cache Management
- Step 5: Once you complete above steps log out and log in back to the admin panel and switch to Stores -> Configuration -> Mageants  $\rightarrow$  Zipcode COD', the module will be displayed in the admin panel.

## **Back-end Example:**

After Installation of Extension login to magento admin panel to set configuration of the extension.

As per below screen shot you can set PIN Code/ZIP code & enable/disable this extension here.
